

Association of Italian Engineering, Architectural
and Technical-Economic Consulting Organizations

CONFINDUSTRIA

President

Rome, 19 June 2019

CERTIFICATE

We hereby certify that GPIngegneria S.r.l. Gestione Progetti d'Ingegneria, with head office in Rome, Viale Tiziano 3, is duly registered with OICE (Association of Engineering and Economic Consulting Organizations) under registry number: 56/1987.

"With reference to article 46 of LD 50/16, i.e. internal and external design to contracting authorities in the field of public works, GPIngegneria S.r.l. Gestione Progetti d'Ingegneria, as engineering company complying with the requirements under the article 3 of D.M. n. 263 of 02/12/2016, is authorized to carry out preliminary, final and detailed design of works, works supervision and technical-administrative assistance.

In Italy, in the field of design, construction and works supervision, companies carry out their activities according to the Legislative Decree 50/16 - Code of public contracts for works, services and supplies under Directives 2014/24/EC and there is no law or regulation requiring that the companies with objects of consulting services in the field of construction works should be licensed in order to perform this type of activity."

OICE has 338 registered Members and represents in Confindustria - the Confederation of Italian Industry - engineering, architectural and technical consulting firms operating in Italy and abroad.

At international level OICE is a charter member of EFCA (European Federation of Engineering Consultancy Associations), that joins together the European Associations of engineering and architectural companies. It's also "Member Association" of FIDIC (International Federation of Consulting Engineers).

In witness whereof.

Gabriele Scicolone
